

City and County of San Francisco
2007 Summer Student Trainee Program

Engineering · Architecture · Landscape Architecture · Planning · Surveying · GIS

Applications can be submitted on-line or by US Postal Service

The City and County of San Francisco is seeking student trainees for various engineering disciplines, to provide support to in-house Engineering · Architecture · Landscape Architecture · Planning · Surveying · GIS staff. The City Departments that employ engineers are the Airport Commission (SFO), Department of Building Inspection (DBI), MTA Department of Public Transportation (DPT), MTA Parking and Traffic Commission (PTC), Port of San Francisco (Port), Public Utilities Commission (PUC), Department of Public Works (DPW), and Recreation and Park Department (RPD). Trainees will gain on-the-job experience under the guidance of experienced professional engineers, architects, planners and surveyors. Trainees will participate in various activities in the respective City Departments.

Positions may be available in the following Areas:

- Architecture
- Civil Engineering
- Computer Science/Information Services
- Construction Management
- Electrical Engineering
- Environmental/Sanitary Engineering
- Geographic Information System
- Hydraulics
- Landscape Architecture
- Mechanical Engineering
- Planning
- Project Management
- Structural Engineering
- Surveying
- Traffic/Transportation Engineering
- Traffic/Transportation Planning
- Utilities Engineering
- Water Resources

Starting Salary: Class 5380 - \$1,790 (Bi-weekly)

Minimum Qualifications: At the time of filing, the applicant must be attending an accredited Engineering · Architecture · Landscape Architecture · Planning · Surveying · GIS or related field. In order for the applicant to be employed, the applicant must be returning to their undergraduate program or entering into or returning to a graduate program in Fall 2007. You must be a US Citizen or have an alien registration (green) card, or a foreign student with legal work permit prior to filing of application.

How to Apply: Submit a cover letter (limited to 1 page), briefly addressing your interest in Engineering · Architecture · Landscape Architecture · Planning · Surveying · Geographic Information System discipline area(s) and career goals, a current resume, the [Student Trainee Application](http://www.sfstudentintern.org/) (also available at <http://www.sfstudentintern.org/>) and a copy of your current college transcript. Copies of transcripts will be accepted. If transcripts are being sent under separate cover, make sure your name and ID number (applies to on-line applications only) are printed **clearly and highlighted on the first page**. Failure to submit a copy of college transcripts with cover letter and resume may result in rejection of application. Submission date for college transcripts may be extended if it is impossible to obtain them by the deadline date. Applicants must submit a signed statement explaining why transcripts cannot be obtained by the deadline. Extension requests will be granted on a case-by-case basis. It is the applicant's sole responsibility that all application materials and support documentation be received in a complete and legible form.

Application packages may be submitted as follows:

Mail: Summer Engineering Trainee Program
Attention: Ernie Eavis, Deputy Airport Director
San Francisco Airport Commission
PO Box 8097
San Francisco, CA 94128

On-Line: <http://www.sfstudentintern.org/>
All file attachments should be in PDF format.

Close of Filing will be on **Friday, February 16, 2007**. No applications will be accepted after that day.

Qualified applicants, who are selected for an interview, will be notified of the exact date, time, and place of the interview. Please be sure to provide us with your e-mail address.

Minorities, Women and Persons with Disabilities are encouraged to Apply
