EDITED VERSION 08-21-2018

Petition Against Demolition of Midtown Park Apartments

The current rehabilitation plan proposed by Mercy Housing and supported by the Mayor's Office of Housing will lead to the permanent displacement of the 139 working class families at Midtown Park Apartments.

Residents of Midtown are long-term Western Addition-Fillmore residents, Asian, Latino, and Eastern European immigrants, seniors and veterans. We are opposed to this plan and demand instead genuine rehabilitation of our homes – not demolition!

We call on Mercy Housing and the Mayor's Office of Housing to respect the desire of the majority of residents and to take demolition off the table. This includes any "rehabilitation" plan that involves stripping Midtown down to its basic infrastructure.
