@DisabilityActivismSF stated that the Task Force had factually incorrect information regarding File No. 24004 in its ruling that the public has no right to public comment at Mayor's Disability Council meetings, and did not discuss matters of the Brown Act related to this complaint.

CONSENT AGENDA – Items 8 through 9 (01:20:48)**8. File No. 25021:** Complaint filed by Stacy Smith against the San Francisco Public Library, San Francisco Police Department, and 911 Communications for allegedly violating Administrative Code (Sunshine Ordinance), Section(s) 67.21 by failing to respond to a public records request in a timely and/or complete manner.

(On 6/17/2025, the Complaint Committee found that the Task Force has jurisdiction, that the requested records are public, and referred the matter to the Task Force Consent Agenda with a finding of no violation by the San Francisco Public Library, and a finding that the San Francisco Police Department violated Administrative Code (Sunshine Ordinance) Section 67.21 by failing to respond to a public records request received in December 2024 and responded to in April 2025. The Committee finds no violation by 911 Communications/DEM and further recommends that Petitioner follow up with the Police Department and DEM regarding records requests.)

9. **File No. 25041:** Complaint filed by Anmarie against Paria Dea and the Fine Arts Museums of San Francisco for allegedly violating Administrative Code (Sunshine Ordinance), Section(s) 67.5, for failing to hold open and public meetings, 67.10(b) for meeting in closed session on a non-permitted topic, and 67.11 for failing to state the statutory authority for the closed session.

(On 6/17/2025, the Complaint Committee voted to place File 25041 on the Task Force Consent Calendar by stipulation of the parties that the Task Force consider finding that Respondents violated Administrative Code (Sunshine Ordinance), Section(s) 67.5 for failure to hold open and public meetings, 67.10(b) for meeting in closed session on a non-permitted topic, and 67.11 for failing to state the statutory authority for the closed session.)

COMPLAINT HEARING AGENDA – Items 10 through 15

10. **File No. 24004:** Complaint filed by Zach Karnazes against the Mayor's Office on Disability for allegedly violating Administrative Code (Sunshine Ordinance), Section(s) 67.7(b) for failing to provide a description that is sufficiently clear and specific to alert a person of average intelligence and education whose interests are affected by the item that he or she may have reason to attend the meeting or seek more information on that item. (01:27:48)

(On 6/17/2025, the Complaint Committee found that these are public meetings under the jurisdiction of the Task Force and referred the matter to the full Task Force for consideration of a violation of Administrative Code (Sunshine Ordinance) Section 67.7 for failing to provide adequate description on the meeting calendar or 67.4 related to a failure to provide notice passive meetings, and request that Respondent provide a link to where the meetings are located prior to the Task Force Meeting.)

Zach Karnazes, @DisabilityActivismSF (Petitioner) stated that he's appearing on behalf of disabled persons so that they can participate in society and to inform City bodies of access violations. Mr. Karnazes further noted his dissatisfaction with the recent finding of the Task Force that this is a passive body, which negates the complaints that have been brought before the Task Force. Mr. Karnazes reiterated that he is awaiting a formal decision of the Task Force to understand whether the next course of action is conducted by the courts.

Debby Kaplan (Office on Disability and Accessibility) (Respondent) stated that all gatherings of passive bodies shall be accessible to individuals upon inquiry and consistent with the facilities in which they occur and which such gatherings need not be formally noticed on the City's website, and they shall be disclosed upon inquiry by a member of the public. Ms. Kaplan further noted the challenges experienced with website migration for the department.

Action: Moved by Member Pilpel, seconded by Chair Yankee, to find no violation of the Sunshine Ordinance, and that the Task Force encourages the Office on Disability and Accessibility to clarify in its meeting notices and agendas opportunities for public comment and ways to engage with the Mayor's Disability Council and ensure that the notices are posted where they are easy to find and accessible.

(Items 11 and 12 were called together at 01:05:50)

See Item No. 12 (File No. 23036) for action.

12. **File No. 23036:** Complaint filed by Paul Khina against the San Francisco Municipal Transportation Agency for allegedly violating Administrative Code (Sunshine Ordinance), Section(s) 67.21 by failing to respond to a request for records in a timely and/or complete manner. (Items 11 and 12 were called together at 01:05:50)

(On 3/6/2024, File Nos. 23020 and 23036 were called and heard together. The Task Force found a violation of 67.27 by withholding records without justification and referred the matter to the Compliance and Amendments Committee if Mr. Kniha informs the Task Force Administrator within five business days that he has not received the records.

On 10/31/2024, Mr. Kniha notified the Task Force that 5 business days had passed, and he had not received any documents from the SFMTA.

On 4/22/2025, File Nos. 23020 and 23036 were called and heard together by the Compliance and Amendments Committee, who referred the matters to the full Task Force saying that Respondent had not produced the records or appeared before the Compliance and Amendments Committee.)

Paul Kniha (Petitioner) provided advance notice that he would not be present.

Caroline Celaya, San Francisco Municipal Transportation Agency (Respondent) was not present.

Action: Moved by Chair Yankee, seconded by Member Pilpel, to close File No. 23020 and File No. 23036 for non-attendance by Petitioner. The Task Force Administrator is to notify Petitioner and Respondent that the cases have been closed.

Public Comment: @DisabilityActivismSF acknowledged the good work of the Task Force and stated that having more information on the website regarding, for example, the five-day notification requirement for requesting a continuance, would be helpful.

Noes: 0 – None

(On May 20, 2025, the Complaint Committee referred the matter to the full Task Force for consideration of whether there is a violation of Administrative Code (Sunshine Ordinance), Section 67.21 for failing to produce public records.)

See Action taken under Item 1.

14. **File No. 25034:** Complaint filed by Joe Fitzgerald Rodriguez against the Office of the Mayor for allegedly violating Administrative Code (Sunshine Ordinance), Section(s) 67.21 by failing to respond to a public records request in a timely and/or complete manner. (02:47:33)

(On 6/17/2025, the Complaint Committee found that the Task Force has jurisdiction, that the requested records are public, and referred the matter to the full Task Force to consider a violation of Administrative Code (Sunshine Ordinance), Section(s) 67.21 by failing to respond to a public records request in a timely and/or complete manner.)

Joe Fitzgerald Rodriguez (Petitioner) stated that he has received the documents he requested and asked that in the future the Mayor's Office honor the requirement to produce records in response to an Immediate Disclosure Request on a rolling basis.

Dexter Darmali (Office of the Mayor) (Respondent) stated that Petitioner's request could not be treated as an Immediate Disclosure Request because the request for an IT search for exact copies of all records, and a server search of trashed, deleted, archived items in their original electronic format with the metadata associated with each responsive record, and the preservation of content including hyperlinks and URLs, is not routine or simple. Mr. Darmali further stated that the documents have been produced, and the request is closed.

A question-and-answer period occurred. The parties provided rebuttals.

Action: Moved by Chair Yankee, seconded by Member Sugarman, to find the Office of the Mayor violated Administrative Code (Sunshine Ordinance) Section(s) 67.21(b) for failing to respond to a public records request in a timely and/or complete manner, and 67.25(d) for failing to produce responsive records on an incremental or rolling basis.

Public Comment: None

Ayes: 7 – Yankee, Sugarman, Schmidt, LaHood, Kumar, Pilpel, Wolfe

Absent: 3 – Anderson, Hyland, Stein

15. **File No. 25039:** Complaint filed by Eric Roussel against the San Francisco Planning Department for allegedly violating Administrative Code (Sunshine Ordinance), Section(s) 67.21 by failing to respond to a public records request in a timely and/or complete manner. (04:15:20)

(On 6/17/2025, the Complaint Committee found that the Task Force has jurisdiction, that the requested records are public, and referred the matter to the full Task Force for consideration if a violation of Administrative Code (Sunshine Ordinance) Sec. 67.21 by failing to respond to a public records request in a timely and/or complete manner, whether names were improperly redacted on this document, and whether there are further documents to be produced.)

Member Pilpel noted that there were several references in the supporting documents to Brett Gladstone and disclosed that he had worked on projects with him.

Eric Roussel (Petitioner) stated that all of the records that he requested on April 16 have not been produced. Mr. Roussel further stated that some of the records that were produced have had the Cc and subject lines redacted.

The San Francisco Planning Department (Respondent) was not present.

A question-and-answer period occurred.

The Task Force members discussed whether Petitioner had had the opportunity to review a 500+ page production from Respondent sent 6/30/2025 and offered a continuance.

Action: Moved by Member Schmidt, seconded by Member Wolfe, to find that the San Francisco Planning Department violated Administrative Code (Sunshine Ordinance), Section 67.21(b) for failure to respond to a public records request in a timely and/or complete manner, and ordered the production of all identifiable documents requested that have not been produced, be produced per the ordinance, and further that the Respondent has failed to have an authorized representative in attendance in violation of 67.21(e), and to refer the matter to a committee for follow-up.
