To Whom It May Concern at San Francisco Planning, Rich Hillis, Lily Langlois, and Laura Lynch:

Please find the below Immediate Disclosure Request (SF Admin Code 67.25(a)) directed to your agency and its department head. Your response is required by August 25th, 2021. Rolling responses are requested (SFAC 67.25(d)) if you are unable to immediately produce records. You must provide exact copies of every responsive record. Do not: print and scan electronic records, provide only the final message in a thread instead of the entire thread, convert native files to PDFs, combine or merge multiple records together, or provide black and white versions of any color record. Provide only copies of records not requiring fees and in-person inspection of all other records (GC 6253).

Your non-exhaustive obligations:

- All withholding of any information must be justified in writing (SFAC 67.27).
- All withholdings by masking or deletion (aka redactions) must be keyed by footnote or other clear reference to the specific justification for that redaction, and only the minimal exempt portion of any record may be withheld (SFAC 67.26).
- You must respond to emailed requests (SFAC 67.21(b)).
- You must notify us of whether or not responsive records exist and/or were withheld for the request below (Gov Code 6253(c), 6255(b)).
- You must state the name and title of each person responsible for withholding any information (Gov Code 6253(d)).
- Do not impose any end-user restrictions upon me (Santa Clara Co. vs Superior Ct, 170 Cal.App 4th 1301); so if you use a website to publish records, please make them completely public without any login, sign-in, or agreement to any type of terms of use or acceptable use policies.

Your agency must comply with the above; you cannot wait until we file a complaint.

We have no duty to, and we will not again, remind the City of its obligations. Instead, we will file a complaint for each and every Sunshine Ordinance or CPRA violation.

- **Provide a copy of the \$50,000 signed agreement with San Francisco Parks Alliance for the Hayes Valley Octavia Historic Freeway Commemoration Project**

Preserve and do not destroy any originals of responsive records until the final adjudication of any appeals; we will appeal all withholdings or Sunshine violations.

Thank you for your anticipated cooperation in this matter.

NOTE: Please be certain you have properly redacted all of your responses. Once you send them to us, there is no going back. The email address sending this request is a publicly-viewable mailbox.
