Re: Sunshine Ordinance Task Force (“SOTF”) Complaint #23052  
*Stiliyan Bezhanski vs. Office of the Treasurer and Tax Collector*

Dear Honorable Task Force Members:

We write in response to the complaint submitted by Petitioner Stiliyan Bezhanski, aka Stiliyan Bejanski, (“PETITIONER”), received by Respondent, the Office of the Treasurer and Tax Collector (“TTX”), on May 17, 2023. We respectfully deny the allegations made in the complaint.

**I. Background – Serial Public Records Requests**

PETITIONER has submitted 24 Public Record Act requests to TTX in the past 23 months. He has been a direct sender or recipient of many of the responsive, disclosable emails or otherwise copied in the emails or copied TTX in his emails. Many of the other disclosable documents are items that can be found on the SOTF website.

**II. SOTF Previously Found in NO Violation in Similar Complaint**

On July 22, 2022, PETITIONER submitted an SOTF complaint (SOTF #22084, attached hereto as Exhibit 1) that is nearly identical to the present one. The issues raised in that complaint and this one are essentially the same, as are TTX’s procedure and responses (see TTX’s Response to Complaint #22084, attached hereto as Exhibit 2). Complaint #22084 resulted in the Complaint Committee’s August 16, 2022, motion to find no violation. The Full Task Force, on December 7, 2022, found that TTX *did not* violate Administrative Code (Sunshine Ordinance), Section(s) 67.21 and 67.25, or California Government Code, Section(s) 6253(c). (See Exhibit 3, SOTF’s Order of Determination, attached hereto.)

May 23, 2023

Page 2 of 8

**III. PETITIONER'S Public Records Act Request of April 11, 2023, Labeled "Immediate Disclosure Request," Was Not Simple, Routine or Otherwise Readily Answerable**

On April 11, 2023, at 9:12 AM, the Office of the Treasurer and Tax Collector ("TTX") received a public records request from PETITIONER. The requester labeled his request an immediate disclosure request ("IDR"). Within 15 minutes of receiving PETITIONER'S request, TTX Legal staff assigned its IT section to pull responsive records. IT staff provided email records for 26 TTX staff members. Based on that number, TTX estimated that there would be at least 200 items to review, sort, and redact. Ultimately, there were 240 responsive items.

Although this request was submitted as an IDR, TTX was not able to complete the request in one day because, given the large quantity of emails to review, sort, and redact, the request was not "simple, routine, or otherwise readily answerable," as is required by San Francisco Administrative Code Section 67.25(a).

Accordingly, on April 11, 2023, TTX responded to PETITIONER, advising him that his request was not simple, routine, or otherwise readily answerable, and that TTX would be in touch with the requester no later than Friday, April 21, 2023.

**IV. The TTX Legal Assistants Assigned to Review the 240 Responsive Items Worked Diligently and Quickly to Respond**

As promised, TTX provided the first tranche of responsive emails to the requester on Friday, April 21, 2023. The two assigned Legal Assistants worked swiftly and efficiently -- reviewing, sorting, and redacting an average of 44 items per week. The Public Records request that is the basis of this complaint is now closed.

Because many of the responsive documents contained sensitive information (personal email addresses, attorney-client privileged information, taxpayer-confidential information, etc.), the TTX Legal Assistants had to pay close attention to every document, ensuring that redactions are made where appropriate, and taking care that no privileged documents or information were inadvertently released.

The Table below shows the total number of emails reviewed, released, and withheld, and the time spent by the assigned TTX Legal Assistants each week.

May 23, 2023

Page 3 of 8

Week Ending	Number of Emails Reviewed by TTX Legal Assistants	Number of Items Released to Requester	Number of Emails Withheld due to Privileges (Attorney-Client, Attorney Work Product, Taxpayer Confidentiality, etc.)	Time Spent by Legal Assistants
April 21, 2023	58	20	38	10.75 hours
April 28, 2023	42	6	36	10 hours
May 5, 2023	43	0	43	14.5 hours
May 12, 2023	28	9	19	6.5 hours
May 19, 2023	69	2	67	5 hours
<b>TOTAL through May 19, 2023</b>	<b>240</b>	<b>37</b>	<b>203</b>	<b>TOTAL HOURS: 46.75</b>

**V. If TTX Staff Spent More Time on PETITIONER'S Public Records Requests, It Would Jeopardize Our Ability to Respond to Other Requesters**

TTX Legal Assistants process multiple Public Records Requests every week, including IDR's, voluminous requests, and many routine requests. TTX's Legal Assistants assigned to PETITIONER'S request have spent an average of 8.63 hours per week responding to PETITIONER'S current request. To spend more time on PETITIONER'S request would mean taking time away from other public records requests. It would also mean that the requester would be getting special treatment. That would be unfair to other requesters.

During the time that the two Legal Assistants were assigned to respond to this Public Records request, TTX staff was also responding to requester's appeal of a Superior Court Judgment entered against him earlier this year.

**Information Requested by SOTF**

1. **SOTF REQUEST: What was the original request you received? Attach a copy of the original request.**

**4. Did you withhold any information or documents from the requester prior to the filing of the complaint?** If yes, explain what documents were withheld and why. Drawing primarily on the Sunshine Ordinance, provide any supporting argument or evidence that each exemption in fact applies.

TTX RESPONSE: Documents were withheld from the requester because they were protected by Attorney-Client Privilege, Attorney Work Product Privilege, Taxpayer Confidentiality, etc.

**Did you provide written justification for all withholding of information prior to the filing of the complaint?** If yes, attach evidence.

TTX RESPONSE: Yes, written justification for all withholding of information was provided to the requester by advising the requester of the following, in part or in whole, where applicable:

- “We have withheld records responsive to your request (and/or redacted parts of the records provided in response to your request) per California Evidence Code 1040(b)(2). Due to privacy concerns, personal information, such as personal phone numbers and email addresses, has been redacted from the documents that we are making available to you. We redacted this personal information pursuant to Section 7927.700 and Section 7927.705 of the California Public Records Act and Article 1, Section 1 of the California Constitution. Additionally, some and/or all documents may be otherwise confidential and/or privileged but are being provided because you are requesting records about and/or involving yourself.”
- “We have withheld records responsive to your request (and/or redacted parts of the records provided in response to your request) which contain confidential taxpayer information, pursuant to California Government Code section 7925.000 and 7927.705 and San Francisco Business and Tax Regulations Code Section 6.22-1; Article I, Section 1 of the California Constitution and California Evidence Code section 1040.”
- “Some documents have been withheld pursuant to Government Code section 7927.200(a), which does not require the production of documents related to pending litigation to which this Office or the City and County are a party; the attorney-client privilege (Evidence Code section 954) and/or the attorney work product privilege (Code of Civil Procedure section 2018.030).”

**5. Did you redact any information from the documents prior to the filing of the complaint?** If yes, explain what information you redacted and why. Drawing primarily on the Sunshine Ordinance, provide any supporting argument or evidence that each exemption in fact applies.

May 23, 2023  
Page 7 of 8

**TTX RESPONSE:**

Requester's email address was redacted pursuant to requester's express request that we do so, even though requester's email can readily be found in linked documents on the SOTF website and the San Francisco Superior Court website.

Confidential Taxpayer Information was redacted pursuant to one or more of the following authorities: California Government Code section 7925.000 and 7927.705 and San Francisco Business and Tax Regulations Code Section 6.22-1; Article I, Section 1 of the California Constitution and California Evidence Code section 1040."

**Did you provide a written justification keyed to each instance of redaction prior to the filing of the complaint?** If yes, attach the original keyed justifications provided to the requester (if any), and any new keyed justifications for each redaction. Drawing primarily on the Sunshine Ordinance, provide any supporting argument or evidence that each exemption in fact applies.

TTX RESPONSE: Yes, every instance of redaction was justified with a keyed description. The keyed justification for redactions included "Protected Personal Contact Information," and "Privacy."

**6. At the time the request was made, did you search employee personal property (such as mobile phones and computers) for responsive records about the conduct of public business?** If yes, describe your method for conducting this search. If appropriate, provide supporting documentation in your packet.

TTX RESPONSE: TTX did not search employee personal property for responsive records.

**7. At the time the request was made, did you request relevant records from contractors your agency has funded, managed or hired?** If yes, describe how you communicated this request. Provide supporting documentation in your packet, including communications to and from the contractor.

TTX RESPONSE: TTX did not request records from contractors.

**8. Are there any known responsive records that you have yet to review for potential redaction and disclosure to the respondent?** If yes, provide the approximate quantity and timeline of future expected disclosures.

TTX RESPONSE: All responsive records have been released. The Public Records request is now closed.

**Conclusion**

TTX staff began working on PETITIONER'S Public Records request within minutes of its receipt. The initial contact with the requester was made on the same day the request

May 23, 2023

Page 8 of 8

was received, and TTX staff released the first set of documents within ten days of the request. Staff put in many hours of work, every week, to conclude the request as quickly as possible. The Office of the Treasurer and Tax Collector has worked conscientiously and swiftly to prepare and provide records in response to this now-closed request.

Finally, PETITIONER'S nearly identical complaint (SOTF #22084) resulted in a finding of no violation by TTX. It would make no sense to come up with a different or inconsistent finding of the almost identical complaint, processing procedure and response.

For these reasons, we respectfully request that this SOTF Complaint be dismissed.

Very truly yours,

Good Morning Cheryl and TTX Team,

Please see attached the screenshot of the complaint I just submitted.  
TTX is in violation of Sunshine Ordinance Code 67.21 and California Govt. Code§ 6253(c) for maximum allowed time to comply with public requests.

As you can see from the screenshot the request #22-3702 was submitted back on June 24th 2022. As per the guidelines of Govt. Code§ 6253(c) the maximum allowed time to comply with this request is 24 days. Which means the due date was July 18th. To this day the Public Request is still open and I'm not sure how much information was released until now and how much information is yet to be released.

Please do not confuse this complaint with the File Number 22057, which was scheduled for June 28 2022, but I had problems with Internet connection and based on my conversation with SOTF will be rescheduled for August SOTF Compliance Meeting.

Kindly confirm receipt and provide us with a complaint /file number

Re: Sunshine Ordinance Task Force Complaint #22084  
*Stiliyan Bezhanski vs. Office of the Treasurer and Tax Collector*

Dear Honorable Task Force Members:

We write in response to the complaint submitted by Stiliyan Bezhanski (“BEZHANSKI”), received by the Office of the Treasurer and Tax Collector (“TTX”) on July 29, 2022.

**I. Background – Serial Public Records Requests**

BEZHANSKI has submitted 17 Public Record Act requests to TTX in the past 13 months. He has been a direct sender or recipient of many of the responsive, disclosable emails or otherwise copied in the emails or copied the CITY in his emails. Most of the other disclosable documents are items that have been filed with the San Francisco Superior Court, and are available to the public, or are items that can be found on the SOTF website.

**II. BEZHANSKI'S Public Record Act Request of June 24, 2022 (Next Request #22-3702) Did Not Meet the Guidelines of an Immediate Disclosure Request**

On June 24, 2022, the Office of the Treasurer and Tax Collector (“TTX”) received a public records request from BEZHANSKI. The requester labeled his request as an immediate disclosure request (“IDR”). On the same day, TTX Legal staff asked its IT section to pull responsive records. Approximately 1500 potentially responsive items (including email attachments) were produced.

August 3, 2022

Page 2 of 8

Although the requester labeled his request as an IDR, the request did not meet the requirements of an IDR because it was not “simple, routine, or otherwise readily answerable,” as is required by San Francisco Administrative Code Section 67.25(a).

Accordingly, on June 24, 2022, TTX responded to BEZHANSKI, advising him that his request did not qualify as an IDR, and that the request would be handled as a standard public records request, subject to the normally applicable 10-day response time, with a possible extension. TTX informed the requester that we would be in touch no later than July 5, 2022.

**III. Two TTX Legal Assistants are Assigned to Review the Approximately 1500 Potentially Responsive Items and Have Worked Diligently and Quickly to Respond**

Of the approximately 1500 potentially responsive items, TTX Legal Assistants have reviewed 1202 items as of July 29, 2022. Of these 1202 items, 199 items have been released to the requester. The other 1003 have been withheld under Attorney-Client privilege, Attorney Work Product privilege, Tax-Payer Confidentiality, or other privileges as set by law.

Because many of the potentially responsive documents have sensitive information (cell phone numbers, personal email addresses, attorney-client privileged information, taxpayer-confidential information, etc.), TTX Legal Assistants must pay close attention to every document, ensuring that redactions are made where appropriate, and taking care that no privileged documents or information are inadvertently released.

The Table below shows the approximate number of items released, the release dates, the approximate number of withheld items, and the time spent by TTX Legal Assistants each week.

Time Period Ending	Approximate Number of Items Reviewed by TTX Legal Assistants	Number of Items Released to Requester	Approximate Number of Items Withheld due to Privileges (Attorney-Client, Attorney Work Product, etc.)	Total Time Spent by the Two Legal Assistants (“LA #1,” “LA #2”) Assigned to 22-3702
July 5, 2022	200	10	190	LA #1: 3 hours LA #2: 12 hours
July 8, 2022	150	9	141	LA #1: 3 hours LA #2: 10 hours
July 15, 2022	350	30	320	LA #1: 4 hours LA #2: 6 hours

August 3, 2022  
Page 3 of 8

July 22, 2022	400	115	285	LA #1: 5 hours LA #2: 7 hours
July 29, 2022	102	35	67	LA #1: 3 hours LA #2: 18 hours
<b>TOTAL as of July 29, 2022</b>	<b>1202</b>	<b>199</b>	<b>1003</b>	<b>TOTAL HOURS: 71 hours</b>

**III. If TTX Staff Spent More Time on BEZHANSKI'S Public Records Requests, It Would Jeopardize Our Ability to Respond to Other Requesters**

TTX Legal Assistants process multiple Public Records Requests every week, including frequent IDR's, many voluminous requests, and a large number of routine requests. TTX's two Legal Assistants assigned to BEZHANSKI'S request have put in an average of 14.2 hours per week responding to BEZHANSKI'S current request. To spend more time on BEZHANSKI'S requests would mean taking time away from other public records requests. That would be inequitable to other requesters.

**4. Did you withhold any information or documents from the requester prior to the filing of the complaint?** If yes, explain what documents were withheld and why. Drawing primarily on the Sunshine Ordinance, provide any supporting argument or evidence that each exemption in fact applies.

**TTX RESPONSE:**

Documents were withheld from the requester because they were categorized as protected by Attorney-Client Privilege, Attorney Work Product Privilege, or Taxpayer Confidentiality, etc.

**Did you provide written justification for all withholding of information prior to the filing of the complaint?** If yes, attach evidence.

**TTX RESPONSE:**

Yes, written justification for all withholding of information was provided to the requester by advising the requester of the following: "We have withheld records responsive to your request (and/or redacted parts of the records provided in response to your request) per California Evidence Code 1040(b)(2). Due to privacy concerns, personal information, such as personal phone numbers, cell numbers and email addresses, has been redacted from the documents that

August 3, 2022  
Page 7 of 8

we are making available to you. We redacted this personal information pursuant to Section 6254(c) and Section 6254(k) of the California Public Records Act and Article 1, Section 1 of the California Constitution.”

**5. Did you redact any information from the documents prior to the filing of the complaint?**  
If yes, explain what information you redacted and why. Drawing primarily on the Sunshine Ordinance, provide any supporting argument or evidence that each exemption in fact applies.

TTX RESPONSE: Nearly all information that was redacted was requester's personal contact information including email addresses and mobile phone number. Other individuals' personal emails were also redacted.

**Did you provide a written justification keyed to each instance of redaction prior to the filing of the complaint?** If yes, attach the original keyed justifications provided to the requester (if any), and any new keyed justifications for each redaction. Drawing primarily on the Sunshine Ordinance, provide any supporting argument or evidence that each exemption in fact applies.

TTX RESPONSE: The keyed justification for most instances of redaction was “Protected Personal Contact Information.”

**6. At the time the request was made, did you search employee personal property (such as mobile phones and computers) for responsive records about the conduct of public business?** If yes, describe your method for conducting this search. If appropriate, provide supporting documentation in your packet.

TTX RESPONSE: TTX did not search employee personal property for responsive records.

**7. At the time the request was made, did you request relevant records from contractors your agency has funded, managed or hired?** If yes, describe how you communicated this request. Provide supporting documentation in your packet, including communications to and from the contractor.

TTX RESPONSE: TTX did not request records from contractors.

**8. Are there any known responsive records that you have yet to review for potential redaction and disclosure to the respondent?** If yes, provide the approximate quantity and timeline of future expected disclosures.

TTX RESPONSE: There are approximately 298 items that have been reviewed and sorted but are pending redaction of those which are disclosable. We estimate it will take two to three days to finish redacting and releasing the remaining items.

August 3, 2022  
Page 8 of 8

**Conclusion**

TTX staff began working on PRA #22-3702 within hours of its receipt, and have continued to put in many hours of work, every week, to try to conclude the request as quickly as possible. As previously stated, to put any more time into BEZHANSKI'S request would be unfair to our other public records requesters who also have a right to have their requests worked promptly. The Office of the Treasurer and Tax Collector has – and continues to - work conscientiously to prepare and provide records in response to this and complainant's multiple previous public records requests.

For these reasons, we respectfully request that this SOTF Complaint be dismissed.

Very truly yours,
