Commissioner Ty-self care

Commissioner Dong-less procrastination

Commissioner Quick-Omnibus resolution momentum

Commissioner Hirji-English grammar to write resolutions (staff noted that this shouldn't be a barrier to writing, they will help finesse, along with LAO officer)

Staff-debut for a dance performance

C. Committee Priorities

a. Issue Areas Brainstorm part 2

b. Name Selection

a. Commissioners narrowed down issues to focus on: PoPos, Central SOMA focus, ADUs (potentially), TAY Housing Plan. Staff encouraged the committee to focus on 2 issue areas tops, with potential negations for a 3rd, but to keep things more focused to see more achievable outcomes at the end of their terms. Focus on low hanging fruit/easy wins at the same time of building momentum of larger issues will be key in this committee. Possible focus is on expanding Free Muni for youth for city college students between the ages of 18-22 (Board of Trustees has money not being used, and hypothesis if free muni were to be expanded to higher aged students, would it help increase the enrollment? A task force is being created, and Drew is personally interested in this topic and willing to bring back info on an as-needed-basis).

Major focus is on continuing any of the work that the Commissioners worked on last year, to keep building the momentum.

Next Steps:

- 1) Read BPPs from last year that relate to their Commission issues
 - 2) Read legislation from BOS that relates to the issues they are interested in
 - 3) Read news from sources like Hoodline, SF Gate, 48 Hills etc. to get a pulse from the media and community
 - 4) Reach out to presenters to get them scheduled to present within the next 2 Committee meetings (Oct. 25th or Nov. 15th):
 - a. CCDC-Maggie
 - b. Dept of Homelessness-JoJo
 - c. Calvin is checking in on updates regarding ADUs and what, if anything, YC can contribute to this conversation or movement (specifically from a youth angle)
 - d. Staff reach out to YOHANA and Larkin St.
- b. After identifying issues to work on, discussion that this Committee is not only focusing on housing, but also on things relative to land use, and to only be called Housing is too constrictive.

Commissioner Min, seconded by Commissioner Quick, motioned to change the Housing Committee name to Housing and Land Use Committee. No public comment. Motion passed by acclamation.

6. Housing Committee Report to Full Commission (Discussion and Possible Action)

Major points are the name change and the issues to focus on for the year.

7. Executive Committee Report (Discussion Only)

Approved the agenda, and gave a warning that the October 15th meeting will be long with 4 pieces of legislation referred.

8. Staff Report (Discussion Only)

- Remember to sign up for Slack
- Staff are going to be doing 1:1's with Commissioners to grow their professional development and set personal goals
- we are in election season and YC can't take any stances on measures or candidates on the ballot. YC can hear what the financial impacts could be on youth from a city agency, but in a neutral manner that is not either pro or con for certain props/measures/candidates.

9. Adjournment

The meeting was adjourned at 5:56pm.
