Chair Alioto-Pier will work on a piece related to resources for neurodivergent students. The Committee wants to address everything on the list, but there's limited time, and urges future Commissioners to continue the advocacy.

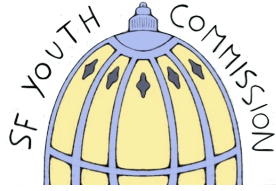

c. SB 294: [Wiener - Youth Mental Health]

Commissioner Barker Plummer would like to look more into it before making the final decision to support it or not. The Committee agrees. The Committee reviews and discusses the language of the legislation.

Question to research: Is the IMR a regulatory agency? Why is the legislation coming from the legislative Jewish Caucus?
