7. Legislation Referred (discussion & possible action)

a. **230519** - Hearing - Homeless and Supportive Housing's Strategic Plan

- i. Hearing on the HSH's Strategic Plan, to understand how the department prepares its approach to homelessness as far as available beds in the system whether permanent or temporary, the number of available openings on the waitlist for each program, how the department maintains its coordinated entry system with the number of individuals awaiting for housing and those who do not qualify for housing, and how the impact of the strategic plan's implementation will have on street conditions over the next five years; and requesting HSH to report.

8. Support Letter (discussion & possible action)

a. AB 645 - Speed Safety Cameras

- i. AB 645 authorized, until January 1, 2032, the Cities of Los Angeles, San Jose, Oakland, Glendale, and Long Beach, and the City and County of San Francisco to establish a Speed Safety System Pilot Program if the system meets specified requirements. The bill would require a participating city or city and county to adopt a Speed Safety System Use Policy and a Speed Safety System Impact Report before implementing the program, and would require the participating city or city and county to engage in a public information campaign at least 30 days before implementation of the program, including information relating to when the systems would begin detecting violations and where the systems would be utilized. The bill would require a participating city or city and county to issue warning notices rather than notices of violations for violations detected within the first 60 calendar days of the program.
